Governor State University Tour
January 21, 2026

Students were chosen based on their grade point average to attend a college tour of Governor State University. Students received a tour of the campus and spoke with an admission counselor. Students also received on the spot acceptance letters for those who applied to the college.

Roosevelt University Tour
December 19, 2025

Students with a grade point average of 2.7 or above were chosen to visit Roosevelt University. The students participated in a tour of the campus, dorms, and athletic building. The students met with an admission counselor where she provided them with information about financial aid, classes, and student activities.

University of Illinois at Chicago Tour
March 5, 2025

Marshall 11th grade students participated in a college visit to UIC. The students received admission information, a tour of the dorms, and a tour of the gym facility. While on campus the students spotted a picture of their former Spanish teacher on the window of the main campus.

Northeastern Illinois University Tour

March 5, 2025

Marshall 11th grade students participated in a college visit to Northeastern IL University. The students received a tour of the dorms and the university. The students participated in various team building activities in connection with the P.E. department. The students concluded with pizza in the cafeteria before departing to head back to the school.
